Dear Needham,

As we reflect on the past year, we are filled with gratitude for the incredible support from our volunteers, donors, and community members like you.

Through our Volunteer and Education programs, we make an impact on everyone who steps onto our fields - whether by teaching people how to grow their own food, having them cultivate produce that is donated to those in need, or by offering the peaceful experience of outdoor work.

With a [donation today](#), you can help us with:

- **Volunteer Program:** This year alone, we were thrilled to host over 235 volunteers. These individuals helped us plant new fields, harvest for our CSAs and donations, revitalize our compost system, weed our pollinator gardens, and much more! By volunteering, these supporters help us to create a healthier, more sustainable food system for everyone.
- **Gardening Classes:** We offer many types of Gardening Classes for the community—focused on growing food, sustainability, and environmental stewardship. We are proud to offer free-of-charge admission to these classes for income-limited individuals. This ensures that everyone has the opportunity to learn how to grow their own food and become more self-sufficient.
- **A Farm Rooted in Education:** Our Farm was founded in 2008 with one simple goal - to educate the community about the power of locally grown, sustainable food. This goal is still embedded in the curriculum we utilize for our classes. By contributing today, you will also help to keep this legacy alive.

Your [donation](#) can help us expand these programs even further in 2024 by allowing us to support more volunteers, offer more scholarships to income-limited individuals, and enhance our educational offerings. Every donation—large or small—helps us continue our mission of educating and empowering our community.

Thank you for being a part of this important work. We are deeply grateful for your support.

With appreciation,

Susan Shaver
NCF Board President

Donate to NCF Today

If you've already donated to our Annual Appeal this year, we are deeply grateful for your contribution!
